**FROM THE PASTOR'S DESK –
A.D.A.:**

G.I.F.T. What are your gifts? How are you blessed by God? Who makes a difference in your life? As baptized persons, we are invited each day to grow in faith together, to develop the gifts and talents that God gives to us. First, there were apostles, then prophets, third teachers according to Paul's letter to the Corinthians. And he continues to describe those who perform mighty deeds, provide healing, assistance, administration and the ability to speak in tongues, to praise God in a special language. So, what are your gifts that you share with your family, your community, and the parish?

Clearly there are different gifts but the same Spirit and we rely on the Spirit to empower us, empower our gifts that we are called upon to put into service for others. Each of us has some gift to share.

So, too, the church needs everyone's talents and gifts to proclaim God's Good News, to build up the body of Christ to have a vibrant life giving faith community. We need people who are followers of Christ, who have a passion for what they believe and put it into practice. We need those prophets of justice who seek out people in need to minister to and with them, whether people live in faraway countries like Haiti, or close to home in our own communities. We rely on those who take roles of leadership to move the church forward, whether a person like John XXIII who convened an ecumenical council or a Bishop like Francis Quinn who ministers among native Americans or priests who serve people selflessly. We need people of faith teaching in public, charter, parochial and community schools to form our youth, the next generation with values and morals. And we need doctors, nurses, health practitioners, administrators, managers and people who can interpret for others. No matter how clearly we attempt to speak and write; inevitably there is the need for someone to interpret for others the meaning of the Word of God.

Similarly, our local church, the Diocese of San Jose needs every person, every household to support the work of the church on three levels: in the parish, on the diocesan level, and the national or international levels.

I ask everyone's participation to share your gift of treasure for the Annual Diocesan Appeal. If you can't share your treasure, turn in the form and make a prayer pledge of support for the campaign. Each form turned in is considered participation. I would like to reach 60-70% participation of all the registered households in Saint Anthony parish.

Our parish goal for this year's Annual Diocesan Appeal is \$67,167 plus a parish goal for future maintenance of \$12,000 for a total of \$79,167. Let us strive for 70% participation of all registered households. With each household participating we can achieve these goals. Remember every dollar paid over and above our diocesan goal comes back to the parish.

Along with the Bishop, I thank you for your sacrifice, your dedication and commitment to Saint Anthony parish.

Blessings, *Father Larry*

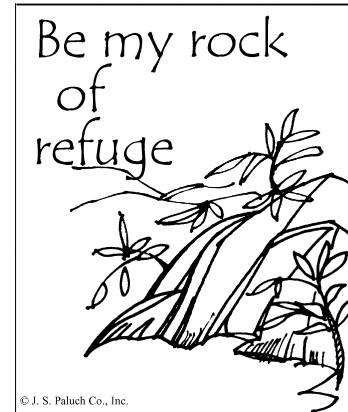

**SAINT ANTHONY PARISH
SOCIAL JUSTICE COMMITTEE:
QUOTES FOR REFLECTION**

"Material goods and the way we are developing the use of them should be seen as God's gifts to us. They are meant to bring out in each one of us the image of God. We must never lose sight of how we have been created: from the earth and from the breath of God."

On Social Concern (Donders translation), #29

A Note from our Secretary

It would be very helpful for contribution posting/tracking, if the parishioners that contribute by check, could please write their Parish Envelope number in the MEMO line of the check. As you may know, we have moved to a new Envelope system, and we are in the process of making sure we have everyone's preferences correct. Please contact me, regarding any envelope issues, at **997-4800** or **ldavis@dsj.com**. Thank you very much! Larissa
