

SAINT ANTHONY CHURCH

A Community of the Roman Catholic Diocese of San Jose, California

We are collecting donations for the first phase of the
"Oak Tree Project",
to construct a permanent venue
under and around the prized oak tree
on the church grounds.

In addition to providing a "safe" environment
for our seasonal outdoor Masses
this venue will enable
Saint Anthony Parish to provide
a suitable atmosphere for weddings,
photo shoots and many other related type of events.

**All donations are tax deductible.
Thank you for your support.**
